Hawkeye Innovation is a veteran-owned small business contract manufacturing company that provides comprehensive, high-quality precision manufacturing and supply chain solutions. We specialize in CNC milling, turning, tooling, tumbling, grinding, welding, prototyping, mechanical, PCB assembly, and engineering services.

### ENGINEERING SERVICES

|                               |                           |
|-------------------------------|---------------------------|
| • Electrical Engineers        | • Application Engineers   |
| • Mechanical Engineers        | • Manufacturing Engineers |
| • Software-Firmware Engineers | • Quality Engineers       |
| • CNC Operators, Programmers  | • Manufacturing Staff     |

### OPERATIONS BREAKDOWN

#### CNC MACHINE SHOP (5100 sq ft)

### COMPANY DATA

DUNS: 080869120 | Cage Code: 80FR4 |  
Veteran Owned Small Business | JCP | CE | RoHS 3 | ITAR  
Primary NAICS Codes: 332700, 332710, 332721, 334418, 334419, 336320

Vertically Integrated with Governors America Corporation, an AS9100 / ISO9001:2015 company

# RESOURCES AND CAPACITY STATEMENT

## SIMPLE OR COMPLEX: HAWKEYE INNOVATION, LLC, PROVIDES RESULTS

**Providing precision  
machined parts  
and full  
manufacturing services  
since 1986.**

Hawkeye Innovation brings more than 35 years of design and manufacturing experience, a dedicated team handling all engineering and design and assembly assistance, fully equipped assembly lines offering increased throughput, and strict adherence to government-specific shipping and handling requirements.

### WAREHOUSE CAPACITY

- 12,600 sq. ft
- 2 Receiving Docks

### ASSEMBLY LINES/SECTIONS

|                                 |   |
|---------------------------------|---|
| <b>Dedicated Assembly Lines</b> | Manual Assembly Lines<br>Semi-automated assembly<br>Test stations   |
